The Gamo MTS 1000™ Moving Target System - Specially designed for airgun use to simulate real hunting situations with centerfire rifles on moving deer at distances up to 200 yards. Utilizing a special motorized four speed carriage with true scale white tail buck silhouette, the Deer silhouette travels along 6 feet of steel track at speeds replicating the movement of deer walking, feeding or running. The silhouette automatically resets at both ends of the track. Each MTS™ Target System comes with a ballistics and distance chart to replicate centerfire rifle shooting at 100, 150 and 200 yards.

The silhouette automatically resets at both ends of the track.

The new GAMO MTS 1000 is designed to be a shooting opportunity expander. It can be used in many backyards in areas where firearms discharge has been made unlawful but airgun shooting is permissible. **Order No. 164-621221054 \$86.32**

RWS AIR RIFLES

Length 45" Barrel 18-7/16" Weight 8.3 lbs. Trigger 3.3 lbs. Cocking 36 lbs.

460 Magnum - The 460 Magnum utilizes an under-lever cocking mechanism that provides superior leverage when cocking the airgun, resulting in less cocking effort than other spring airguns. The 460 offers magnum velocities of 1350 fps in .177 and 1150 fps in .22. With an easy to use top-side loading port, micro adjustable sights, fixed rifled barrel, scope capability, and a classic American Sporter stock with rubber butt pad, the 460 magnum delivers the performance, power, and grace expected from an RWS rifle.

The Hammerli brand dates back to 1863 when Johann Ulrich Hammerli founded the company to make rifle barrels for the Swiss Army. From then on, Hammerli was a manufacturer of superior rifle barrels, firearms, and firearm components. In 1950, Hammerli produced Olympic rifles that were used to win gold medals at the next four Olympics. In 1966, production began on the famous Standard 208 pistol and over the next 40 years, the Hammerli brand has become synonymous with high end, quality competition rifles and pistols that are unparalleled in performance.
