

Executive Education International

Executive Education International provides strategic executive development and leadership skills for large corporate businesses worldwide.

Operating internationally, it is dedicated to enhancing the personal effectiveness of managers and leaders throughout the world, by providing specialised executive education and thereby improving organisational performance globally.

With over 25 years experience in the field our Directors bring a wealth of knowledge and skills to their work with clients and an outstanding level of success.

Key International Clients include:

Toyota / RBS/ Cable & Wireless / Baker & McKenzie / Atkins Aerospace / Signature

"Gave my company more clarity...helpful and motivating every day"

"Electrifying work at times, as ideas just avalanched"

"Enabled us to achieve 15% market share increase"

"Great tools...good challenging remarks and direction"

"Whatever you want to deal with where you, your department, your business is going...the clear consensus was that this was definitely the "Course of the Year"

At **Executive Education International** client aspirations are at the heart of everything that we do. We are passionate about building and maintaining collaborative relationships with all key stakeholders and, in particular, we work to ensure that senior executives are supported and able to work with their Boards in order to deliver excellent performance.

Think success.....Achieve more.....

Catherine Berney, Director

BCL, MSc Organisational Psychology, Mediator, FRSA

Visiting Fellow and Programme Director Cranfield University School of Management

Catherine is an organisational psychologist and a renowned speaker and facilitator at conferences and seminars, especially those relating to leadership, complexity and change, group and team dynamics, communication and managing strategic relationships in business. Her work is systemic and international in focus, crossing boundaries in every sense of the word. In particular, her background as an international lawyer, mediator and organisational psychologist enables her to successfully bridge the worlds of business performance and psychology

Dr Jackie Drake, Director

PhD (Management Development), MBA, BA (Economic History)

Professor of Communications and Organisational Behaviour at the Cyprus International Institute of Management, Visiting Lecturer at Mannheim Business School, Germany and Visiting Fellow at Cranfield University School of Management in the UK where she was a faculty member for 25 years. Jackie has a reputation as an innovator in leadership development, pioneering many new approaches to helping managers become leaders in their field. As an academic consultant she is an experienced lecturer and programme designer, knowledgeable about business and insightful about people.
