

Dear Sales Manager,

We are currently looking for new suppliers in **cutting and bending** for one of our buyers (Dutch company specialized in the deliveries of various kinds of metal parts). The Suppliers we usually work with seem to be no longer able to take any additional charge.

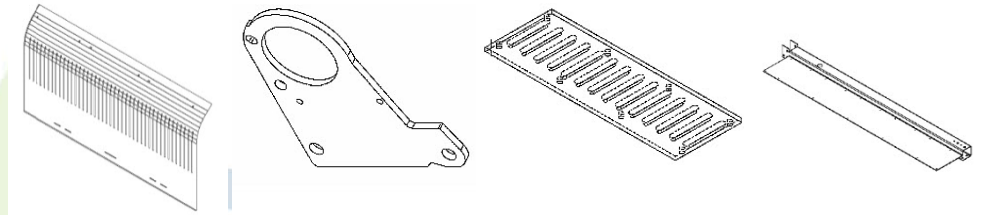

Please check below the projects :

Description of the RFQs :

Parts thumbnails :

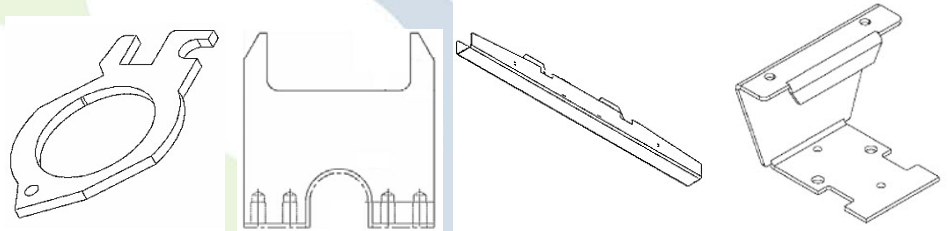

RFQ N° 625030

Category : cutting, bending
 Number of references : 10
 Annual quantities: up to 600 per reference
 Material : carbon steel
