Key words:

Affordable

Brand new house

Mod-cons (modern consumerisms) £90,000.00 - 120.000,00 €

Surely not

Slightly sceptical – Crossroads wobbles

Very solid

Downstairs loo

Plumbing

Show-home - didn't bother

Electricity up & running

Appliances

Series of units built in a factory and put together on-site

Béton coulé sur place – in-situ concrete

Fit to live-in

Future of sustainable living

Are not fully mortared brick but brick tiles

Insulation thicknesses reduce heating bill minimum heating's needed

Kitchen area, fully fitted depending on the requirements of the clients

Main living area

Production line
