Make insane money with

Make money by uploading files!

Never before has making money been so easy - or payouts so high. Simply upload files and get people to download them, and earn an average of 60 cents per download!

VERY EFFECTIVE METHOD !! READ CAREFULLY AND FOLLOW THE STEPS:

1. Firstly make an account on sharecash
Go to ShareCash.Org - [Make Money Uploading Files!](http://ShareCash.Org)
and make an account!

2. Make a simple text file and write anything in that

file like "I am sick" etc.. and upload it on sharecash!

Note:- You must remember what you had written in that file! It would be required later on

3) Now your file is ready to download! But the question arises now that "Who will download my file and how will I get money?"

Here is the solution to it!

There is a site called Minute workers minuteworkers
People do small small jobs there and earn money!

They around 0.10\$ for every job they do! So now you are going to give job to the people

1) Go to [Minute Workers - Turning Your Minutes Into Money](#) and register an Account for yourself!

2)After logging into your account go to Create Jobs option in the left

3)Fill in the exact information as shown in the images below

3) Fill in the exact information as shown in the images below

The screenshot shows the ShareCash website dashboard. At the top, there is a navigation bar with links for Home, Forum, Blog, Payouts, Contact, and Log Out. The main header features the ShareCash logo with the tagline "Make money uploading files!" and a "Welcome" message. Below the header, there is a "Main Menu" on the left with various options like Home, Statistics, Upload, and Profile. In the center, there is an "Earnings" section displaying several metrics: Today's Total Earnings (\$203.35), Today's Download Earnings (\$203.35), Today's Referral Earnings, Today's Premium Earnings (\$0.00), Month's Total Earnings, and Last Payout. A legend at the bottom right indicates that a red dot icon represents "confidential" information.
