

# LANGUAGE IMMERSION INC.

*Language Training for Professionals*

## CREATING GLOBAL OPPORTUNITIES

Today's marketplace is connected in an unprecedented way. Diversifying language skills in your organization will allow you to capitalize on global opportunities, and give you an edge over your competition. At Language Immersion, we recognize that today's global marketplace is a reality. Language Immersion offers an opportunity to maximize your potential in today's interconnected world.

*Communicate fluently  
with confidence*

**Language Immersion provides specialized language training for business professionals;**

- Specialized language training in Spanish, French, Portuguese and English.
- Committed to academic quality and individual learning.
- Each program is tailored to individual needs to provide the most effective way to develop communication skills.
- We hire only qualified native speaking teachers with expertise to meet client needs.
- Continuous feedback and progress monitored throughout language training.

*"It was very convenient to have the classes taught at our workplace."*

# EXCELLENCE IN BUSINESS COMMUNICATION

Since 2005, *Language Immersion* has been the premier business language school in the GTA. Exceptional teaching and quality results have earned us a reputation few language schools parallel. Our focus on the mining and financial sectors allows us to offer customized language programs that cater to these specific needs.

*Language Immersion* offers one on one, group or daily intensive language training. Classroom instruction takes place at your workplace or a convenient location.

# PROVEN METHODOLOGY

Learning another language takes dedication and study time. We make the process as easy as possible using results-driven learning tools and strategies. Learning tools include both hardcopy and online exercises to supplement daily practice.

## Levels of Language Study
