

LCARS STUDIO

Hey! Welcome on LCARS Studio!

LCARS Studio is specialized in the reproduction large size of screen computer from the Star Trek universe.

My objective is to offer you the opportunity to decorate your home with my giant artworks inspired by Star Trek.

Every one of my schematic is filled with thousands of highly detailed objects. My LCARS represent hundreds of hours of work, research and design.

Decorate your room with a giant LCARS. As large as those aboard Starfleet ship!

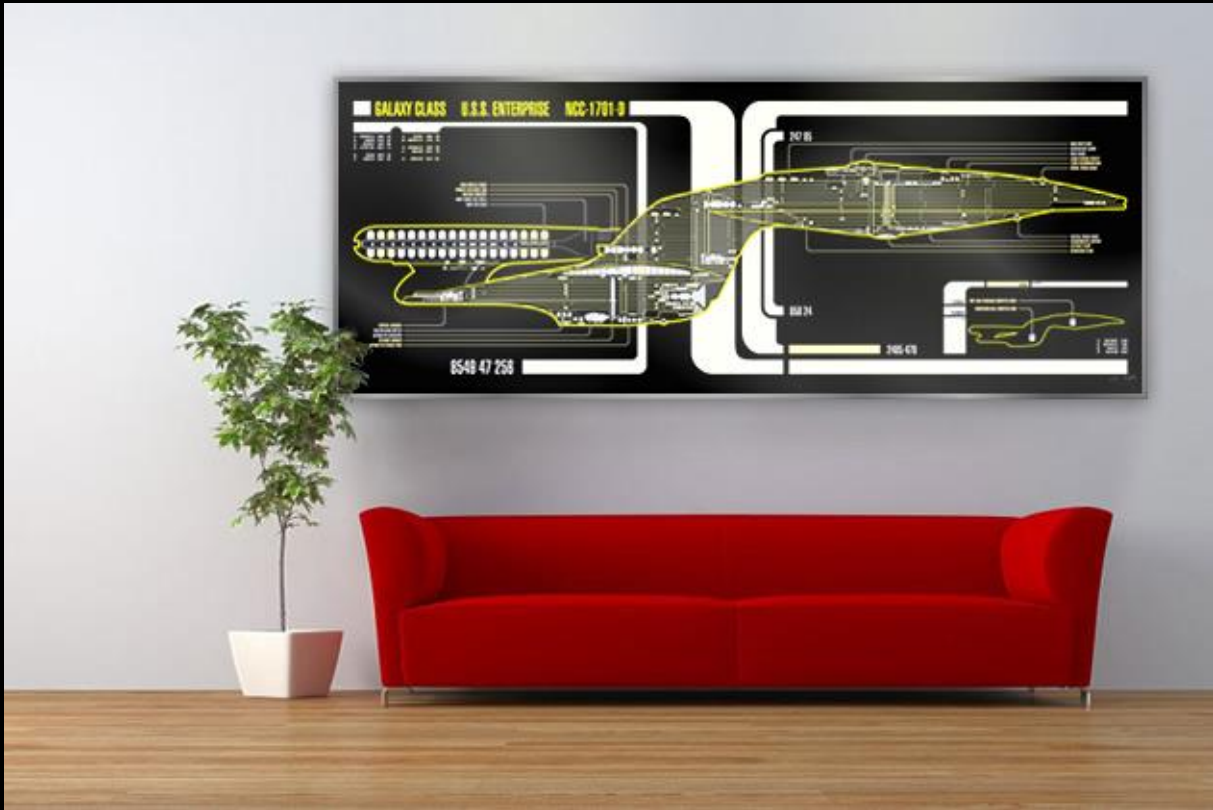

Printed on high quality photo paper!
