Digital Cameras for Sale

If you're ready to upgrade from the camera in your pocket to a real digital camera, we can help. We provide digital cameras from the manufacturers you already love and trust, like Canon, Nikon and Olympus.

Olympus OM-D AND-M5 Black + 12-50 mm (Camera Micro 4/3, 16,1MP, Full HD)

Olympus presents its camera micro 4/3, OM-D AND-M5, with more control and creativity with the electronic new finder EVF. Sensor Live incorporates MOS of 16.1 MP, 24 scene ways, 11 artistic filters, she offers videotape recording Full HD and she makes 9 fotogramas per second. It has very quick AF, it presents 35 focus areas, pursuit 3D, AF predictivo and it provides a great yield with low lights.

Thanks to the resistant design to the powder and the splashes of the robust body of magnesium of EM-5 the most complicated

environments won't ruin you the picture. Their screen also SMELLS of 7.6 cm (3 inches) provides a magnificent reproduction of the colors and a bigger contrast to give to the images a very real aspect. The image quality is unbeatable and like it is folding he/she allows to make pictures from any angle. Image stabilization in 5 axes compensates any type of involuntary movement, avoiding this way the possibility to obtain a blurred image.
