HORSE INSURANCE FOR LIABILITY

This policy covers you in the event your horse injures a third party or damages their property.

This provides coverage for defense fees, as well as pays claims made against you for which you are legally liable during the policy period.

COMMERCIAL EQUINE LIABILITY:

This coverage is very important if you perform any commercial equestrian activities such as boarding, instruction, training, breeding, etc.

Coverage is provided if you are sued by a third party who is injured or whose property is damaged.

Coverage limits available in \$300,000, \$500,000 and \$1,000,000 amounts with double aggregates available.

SPECIAL LIABILITY INSURANCE

Riding clubs and associations wishing to protect themselves can obtain liability coverage with a clubs and associations policy.

The basic policy provides coverage for up to seven event days, with coverage for additional days available.

This coverage helps to protect your group if you are faced with a lawsuit by a third party.

Defense fees as well as claims for property damage and/or bodily injury are covered.

Coverage limits are available in \$300,000, \$500,000 and \$1,000,000 amounts, with double aggregates available.

INDEPENDENT HORSE SHOWS AND EVENTS:

Liability coverage is available for a single horse show or equestrian event.

The same policy limits as above are available.

Coverage is provided for the actual event days and can include a day for both set up and take down

OPTIONAL COVERAGES

MAJOR MEDICAL / SURGICAL OPTION:

This option reimburses you for veterinarian's fees for medical and surgical care due to an accident, injury or illness of the animal.

This endorsement allows you to elect either a maximum benefit of \$5,000 or \$7,500. The endorsement will pay the benefit maximum per year, after the per occurrence deductible.

(The major medical / surgical endorsement pays in addition to the Emergency Colic Surgery expense provided in your base policy.)

SURGICAL ONLY OPTION

This option covers veterinarian's fees that are incurred as a direct result of surgical treatment and miscellaneous extras.

It pays a maximum benefit of \$5,000 after deductible.

(The surgical endorsement option pays in addition to the Emergency Colic Surgery expense provided in your base policy.)
