Personalizing your wristbands has never been easier, or more affordable

All of our wristbands are fully customizable, with affordable spot or full color printing for your graphics, branding and custom messages. Wristband Giant is the only manufacturer in the industry to offer variable data printing capability on conventional Plastic, Vinyl and Tyvek wristbands. Variable data printing allows you to create custom wristbands for a fraction of the cost with unlimited combinations of artwork, colors and security features such as static or unique QR codes or barcodes, UV security marks, custom serial numbers, custom messages, and much more

About Wristband Giant

Wristband Giant is the world leader in the manufacturing & marketing of integrated event solutions that support security, anti-counterfeit, medical, recreational, and special event wristbands.

We manufacture a wide assortment of wrist identification and access control solutions designed for the leisure and entertainment markets. Our Wristbands are designed for virtually any situation and environment.

Our mission at Wristband Giant is to provide every customer with a value beyond compare in the wristband identification market. As a Wristband Giant customer, you should expect nothing less than the best possible service every time you deal with one of our representatives in person, by letter, on the telephone or when using our online chat system. Our aim is to build a long-term relationship with you. Our Service Commitment sets out the standards that our customers can expect from Wristband Giant and

that we demand of ourselves.

Wristbands for Amusement Park

Why Use Wristband Giant for Amusement Parks

Wristband Giant wristbands are an fast easy way to spot your paid guests at your amusement park. Our patented adhesive makes these bands non transferable to help control access and keep your profits in your pocket. Select from a variety of colored, patterned, or Tyvek® stub / plastic stub / vinyl stub / soft comfort stub wristbands to identify unique visitors such as camps, schools, companies, non-profits who are visiting your amusement park. Another use would be for your "all access" passes, or "ride-all-day" passes so that your ride operators can make sure the right people are riding.

More than likely your venue will run more than one day. To reduce fraudulent, repeat use of wristbands, you could simply change the color for your event each day. Also, there are times where there is a particular concert or value added area that guests have paid extra for that you want to protect; choose another color to quickly identify authorized entry guests.

Wristbands for Bowling Centers

Wristband Giant has your Bowling Center Covered

Wristband Giant has a variety of wristbands that are a perfect solution for your bowling center / bowling alley. If you need to identify special guests or if you are using wristbands for general admissions then we have what you need. Multi day events are no problem when you use different colors or patterns to identify each day and each paying guest separately to ensure your revenue stream is not affected. Special groups can have their own separate wristbands so they can be easily identified by your crew and staff... did we mention our adhesive wristbands have a patented adhesive to prevent tampering and transferring? Well they do! All our Tyvek® wristbands are sequentially numbered to help you keep track of admissions, inventory and can even help in your special events for raffling items off.

We understand that free shipping and fast delivery are often the final purchase considerations for buyers. With Wristband Giant your orders will be delivered fast and on time at competitive rates.
