## Granite Tiles

### Multi Color Rose Granite Tile - 12x12

All our onyx and marble stone tiles are 100% natural stone. Our tiles and mosaics are brought to you directly from the mountain. It is this natural stone beauty and originality that makes our tiles so desired and original. It is due to this natural harvesting process that produces a different look or pattern to each tile and mosaic. No two are alike. The image used to represent this tile depicts a typical representation but never an exact duplication of the tiles when you receive them.

## Onyx Tiles
