

Open Transport Vehicle Shipping Services US

At Executive Auto Shippers LLC we aspire to the highest standard of dependable auto shipping. Our reliability, integrity and proven track record of customer service make EAS the most reliable auto transport service in the industry. We strive to maintain the highest standard of customer satisfaction by safely and efficiently delivering vehicles to our customers in order to help them get on their way.

The team at Executive Auto Shippers provides the best auto relocation service available – we are the most dependable enclosed auto shippers and pride ourselves on the quality of our automobile transport.

Auto Transport Services We Offer

We transport a whole host of vehicles across the country and overseas. Whether it's the car you drive every day, a classic car from the 50s, a luxury car to cruise around in, a speed boat for the lake, an ATV for the mountains, a motorcycle to race to town with, a personal water craft (PWC) for recreational activities or an

RV to camp out in, we have got your vehicle shipping needs covered. We want to make sure that you have every vehicle you need, whether it stays on land or in the sea, with you when you need it. Regardless of whether you are moving across the country or across the ocean for a short or indefinite period of time, Executive Auto Shippers has the transportation services to fit your needs – from open car transport to enclosed automobile transport, we are the car shipper, ATV transport and luxury vehicle transfer company for you.

Meet the EAS Team

Matthew Van Gelder, Owner / Manager of Executive Auto Shippers

Matthew is one of the owners of Executive Auto Shippers. He has been in the auto transport business since 1997. Matthew has worked in every area of the auto shipping business which has given him the knowledge he needs to run a successful auto shipping business.

His years of experience have provided him the time necessary to establish a dedicated staff, a reliable network of carriers and develop a good understanding of what excellent customer service and client communication looks like. Matthew believes that Executive Auto Shippers' excellent communication with their clients is what makes EAS stand out above the other auto shipping companies. He is committed to catering to the client's specific needs and requests to ensure a successful.
