## **Railway Interoperability and Safety Committee**

### **Draft work programme 2016-2019**

The **rolling programme in annex** fixes the indicative dates for the coming meetings of the Railway Interoperability and Safety Committee and provides an overview of the Committee's activities, in particular in relation to legislative initiatives on which the Committee's opinion will be required.

The programme will be regularly updated for each Committee meeting.

This issue provides an outlook for the period 2016-2019.

Future meeting dates are subject to meeting room availability.

Items marked by a star (\*) are mentioned in this programme only for information as they are delegated acts foreseen under the technical pillar of the 4<sup>th</sup> Railway package and are not considered to be formally presented to the RISC.

This version includes the implementing and delegated acts related to the implementation of the technical pillar of the 4<sup>th</sup> Railway.
