

SINGAPORE COMPANY REGISTRATION

We are one of the leading company incorporation service provider in Singapore. We can support you on various Company incorporation matters like – Registration, Corporate Secretarial, Accounting, Nominee Director, Trademarks registration, HR advisory, employment pass applications etc.

COMPANY INCORPORATION REQUIREMENTS & PROCEDURE

To incorporate a company in Singapore you will need to have a:

- Local Director (minimum one director who should be Singapore Citizen or Singapore Permanent resident)
- Shareholder (Minimum one shareholder - can be a foreigner or Singapore resident)
- Company Secretary (Singapore resident)
- Local registered address

If you are a foreigner we can provide you a local Nominee Director, Company secretary and a registered address for your company. You as a Foreign Director can continue to stay abroad & continue to be the foreign shareholder. Singapore law allows 100% foreign shareholding.

DOCUMENTS REQUIRED FOR INCORPORATION

In case of Individual shareholders and Directors we will need following documents from you. Send scanned copies before your visit to Singapore. So it will be possible for us to go through details and advise of any further information required.

- Completed Transcend Consulting KYC form
- Completed Transcend Consulting company registration form
- Scanned copies of passports of all directors / shareholders of proposed new company
- Residential proof of all directors / shareholders (Usually utility bill, phone bill will suffice)

Singapore company incorporation with annual nominee Director

If you are a foreigner intending to register your business in Singapore and operate remotely from home country then this package is right for you.

In this package we provide nominee Director on an ongoing basis.

SINGAPORE COMPANY INCORPORATION WITH ANNUAL NOMINEE
DIRECTOR

Services	Amount in SGD
Company registration	800 SGD
Annual Nominee Director (1 Year)	1900 SGD
Company secretary (first year)	Free
Registered office address (1 year)	300 SGD
Refundable deposit for providing nominee Director	1500 SGD
Total amount you pay at the time of setup	4500 SGD

In case a corporate is taking shares in your proposed Singapore entity, please provide us following additional documents.

- Copy of certificate of incorporation (Certified by Company incorporation entity in your home country)
- Board resolution confirming company's decision to take shareholding in Singapore entity and confirmation of details of who will be the representative to act on company's behalf
- Certificate of incumbency of foreign company intending to take shareholding (This certificate shows the details of shareholders and directors as on specific date) (Certified by Company incorporation entity in your home country)

Plan your visit to Singapore. We recommend 3 days visit. While visiting please carry all the original documents (copies of which you have submitted in above step). Company incorporation and bank account opening will be done during this visit. However please note that bank will take a week before opening the account.
