With over 40 years of experience in the industry, we came to realise that people were looking for quality kitchenware, cookware, and cutlery at reasonable prices, be they restaurant chefs or the everyday person cooking meals for the family. Now we open our doors to the general public supplying the very same quality products the chefs use.

Say goodbye to inferior "retail" grade products, and bid farewell to the exorbitant prices of luxurious brands.

BigSpoon Kitchenware carries a wide range of quality retail and wholesale products to satisfy your every requirements. Whether you are looking for a complete cookware set or a simple kitchen knife, we make sure your every dollar is well spent.
