

INVITATION LETTER

AIESEC is the world's biggest student organization working with 1100 committees and 86.000 volunteer members in 126 countries. It is executed and managed by university students in all segments of structure. AIESEC acts as a bridge between university and business life by improving its members in different areas like leadership, personal improvement and cultural understanding. AIESEC is an entirely independent, non-governmental and non-profitable organization which has equality of cultures and people on the bases of its understanding. Its aim is to give individuals the quality of taking responsibilities to improve their culture and society.

Regarding this, AIESEC Nabel is one of the local committees of AIESEC Tunisia Member Committee which is connected to AIESEC International in Holland. It has been working in University of Nabel since 2005. With the invention of International Traineeship Exchange Program, it provides opportunities of international traineeship for students. Traineeship Exchange Program offers students the chance to practice their theoretical knowledge and abilities in international area. In addition to this, AIESEC Nabel works professionally to bring volunteers and to offer services to Leaders Private Faculty / AIESEC NABEL.

I would like to invite, Natasa MILESEVIC born in Serbia to NABEL in Tunisia. She will have an internship thanks to the student organization AIESEC from 01/12/2016 till 30/02/2017
