Mesmerizing year-end!

Yes, it was my most enchanting Christmas season in Armenia!

Dear all,

First, our movement would like to honor the victims of the horrific terrorist attack that took place in Berlin on December 19th 2016 on a Christmas Market and we show our solidarity to the victims' families and friends! We love you Magic Angela Merkel, your people's sufferance is ours! Today we are all Berliner!

Then, we of course would like to wish you all who follow us for more than 3 years a Merry Christmas and a Happy New Year 2017!

The year 2016 was a difficult year for the world and so many of us are happy it is soon over and so are we! But, this having said, our movement did manage to end the year in the most enchanting, mesmerizing

way thus achieving the goals we all worked so hard for! Here is our 'mission accomplished'-list for the month of December 2016:

- Artur Galstyan and Marie Van Marcke appeared in *two* dedicated 30 minutes TV series Martik – Warriors on TVH1 Armenia.
- Our new and magical Christmas clip “Mary’s Prayer” ran multiple times on TV3 Armenia on New Year’s Eve.
- Our movement finalized its first album with 10 magnificent songs. The CD goes public worldwide on Saint Sargis Day 2017!
- Marie Van Marcke published her first Single “Mary’s Prayer” on Record Union, iTunes, Amazon and much more. The song is available worldwide up until Japan!

Having spent my very first New Year in Armenia made my 11th journey to our Homeland one that I will always cherish and look back with deep emotion and gratitude! Merry Christmas & Happy New Year to you from our Magic Team:

Paul, Artur, Marie-Dalia, Lilit, Jean, Siranush, Ulysse, Marie-Angélique, Aimé.
