EURONAT

Extract of the regulation of tenure

First Part

Heading IV - Article 7 - OBLIGATION TO MAINTAIN STYLE OF ARCHITECTURE

« The volumes, materials and colors of the buildings erected or to be erected shall therefore be determined by the architect in charge of the design or the conservation of the whole center » (so it is essential to receive prior agreement from the Company EURONAT for all work).

Heading IV - Article 8 - FENCES AND OTHER BARRIERS

« No fences or other barriers may be erected between different plots, even if they are living hedges »

Heading IV - Article 9 - TREES

« Holders of a right of tenure shall be bound to preserve all trees existing on the site of which they have possession ... and replant trees which necessitated a slaughter ».

Second Part

Heading I - Article 11 - USE OF PARTS HELD UNDER PRIVATE TENURE

« Each holder of a right of tenure may modify the interior layout of his premises as he thinks fit, but in order to ensure the harmony of the whole, he may do nothing to change the exterior appearance of the same ».

« ... The outside areas must likewise be kept permanently cleared of undergrowth, in compliance with the safety regulations ».

Third Part

Heading I - Article 19 – GROUP ADMINISTRATOR

« For the entire duration of the building lease the naturist center EURONAT will be solely managed by the Limited company EURONAT as administrator with the missions defined within the framework of operating expenses and within the framework of the obligations defined in the program.”
