## Armenia First! Armenia First! Armenia First! Hayastan has always been great! Let's make it even GREATER!

Dear all,

2016 was a year dedicated to hard work and finalizing of our ambitious musical projects for Armenia. To celebrate our successes our movement entered 2017 with the most rejoicing 'hurras'! This was my first time ever to party New Years' Eve and the Armenian Christmas on Armenian soil! What a blessing...

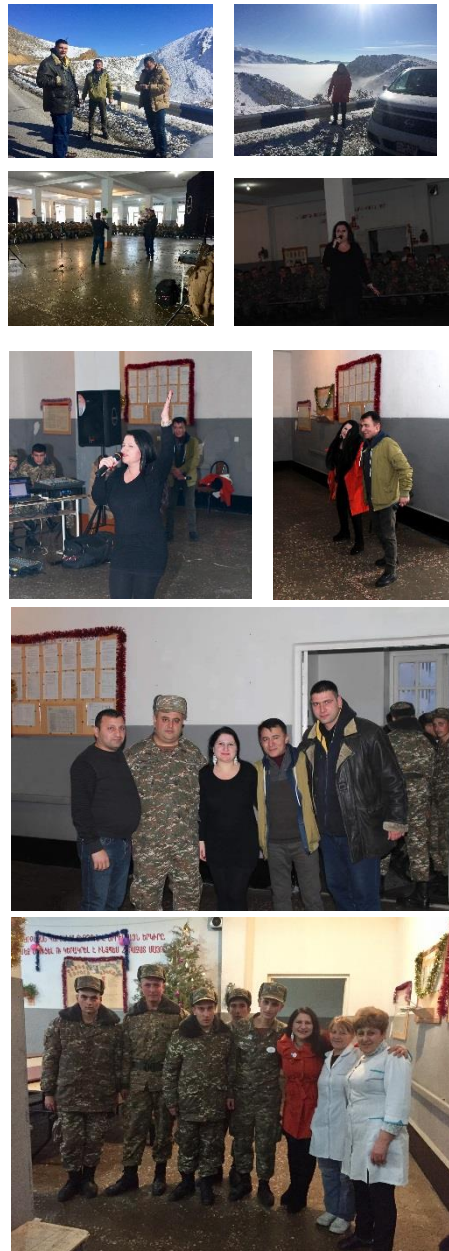

On January 1<sup>st</sup>, Artur and I released our first duo song Tun Ai Tchi Gass, Get Out Of My Life! The song released on Record Union and is redistributed on all major music platforms like iTunes, Spotify and others... The official clip of our duo song is on You Tube and Facebook. We hope you will enjoy this great song as much as we did while producing it for you!

On January 6<sup>th</sup>, here we go, Artur, Karen Harut and me, to our next concert at the Vayk Military Base! It was so important for us to celebrate our Armenian Christmas with our soldiers, our heroes! It was an unforgettable day and blessed to meet such amazing people through our Journey!

We sang, we danced and we cared for each other! We lived all the emotions that make Christmas this very special time of the Year!

Later on, we even gave a private concert to Artur's and Karen's base commanders, Mr. Arayik Muradyan and Mr. Artzyk Grigoryan, they served with as brave soldiers from 1994-1996 at the Military Base in Sissia. The unity of soldiers have spent 2 long years defending the borders of Nakhitchevan and Nagorno Karabagh!

Their reunion after so long was a very touching moment! All their courageous years defending the Motherland came back to their minds as they all sang along melodies that Artur was playing on his darling guitar! The Khorovadz, the famous Armenian barbecue, was a delight and the Armenian wine really had an enchanting taste.... Again, unforgettable people! Thank you all for letting me be part of such extraordinary gatherings!

As we were heading back home to Magic Yerevan, tired but so happy, I thought:  
- Through my profession, I am so deeply honored and fortunate to meet all those heroes that make Armenia such a Great Nation!

On January 8<sup>th</sup>, we were immensely proud to discover that our Christmas song "Mary's Prayer" is marketed by Amazon Japan! Being born in Japan, what an enchanting way to go back to the land of my roots...

On January 28<sup>th</sup>, Armenia celebrated the 25<sup>th</sup> Anniversary of the Armenian Army since her Independence in 1991! Of course, we pay tribute to all our soldiers and their families! Respect and our profound gratitude for serving your country with such tremendous bravery, strength and faith! May you all be reunited with your loved ones in health and harmony!
