PRIX DE L'AÉROPOSTALE - 6:25 p.m.

Flat race - 2,100 m - 14,000 €

For full colts, geldings and fillies of 3 years that have never won. Weight : 58 kg - Right handed course - 10 runners - 6th race.

MAELIA deserves its race:

Always on the podium in seven attempts, MAELIA deserves to have its efforts rewarded. It would watch out for TSAVO, horse of good origin who should not be condemned following its recent failure. GRAF, who has just made a beautiful impression, and MITEZZA, in form, would target the places. VERY DEAL will put on Australian blinkers for the first time. MAGDO BARELIÈRE is making its start with the favour of prognoses. BAD MOON RISIN travels with ambitions. CLIONA DU BEARN well placed at the rope is capable of distorting the settings...
