

M.POMME STUDIO PRIVACY POLICY

By Privacy Policy, we mean the way we collect, use and disclose any information we collect from our users.

The following Privacy Policy applies to all our mobile games, application, game browser, website and any other service we offer.

Non-personal identification information

We may collect non-personal identification information from our users. This kind of information is mainly technical (Such as the browser's brand, the type of device, the Internet provider ...) and does not include personal details.

Personal identification information

We may collect and use personal identification information from our users, whenever they connect to our services.

Web browser cookies

We may use "cookies" to enhance our users' experience. Also, this allow us to track some information and keep some record of it on the users' browsers. Users always have the choice to set up their device in order to refuse cookies.

The information collected, as described above, is used to improve our customer service. Indeed, our users' information is needed to improve our response to the customers' requests. Also, our users' information is required to boost our services.

We do not sell, trade, or rent our users' personal identification information to third parties. The only part of our users' data we may share is the one related to technical information, and will not allow any party to access private data such as names.

Users may find advertising or other content on our services that link to some random sites and services of third parties, which may be our partners or may be fully independent. Therefore, whenever you use a third party service, please note you depend on their own Privacy Policy.

This apply to ads, delivered by our advertising partners, appearing on our services.

We reserve the rights to update this privacy policy at any time. Feel free to check the update date at the bottom of this page.

By using our services, you signify your acceptance of this Privacy Policy. In the eventuality you would not agree to this policy, please do not use our services.

Your continued use of our services following any update to this policy will be deemed your acceptance of said changes.
