## **The CB Passive Income License Program from Patric Chan**

Here is a great product for those who aspire to earn money by way of internet marketing. This program is based on the marketing software that helps the users to earn money through internet. The software as well as the training for using the same are offered 100% free. One may wonder how that will work! But the fact is that Patric Chan who has created this software is getting an auto-pilot income from this software. Those who are already making substantial income from this program agree that this is a powerful marketing software. The novice online marketers can make a very good beginning with the help of this software whereas the already successful internet businessmen can easily enhance their income using this software. Those who wish to try the CB Passive Income Program can become licensee of the system for absolutely no royalty or license fee. Those who use this program are assured of sustained income.

## **Do you know how it works?**

The software creates the link through which one can access the particular web page that provides the free software as well as the free training. Once you are a subscriber of this program you will receive an email in which there will be an affiliate link. The affiliate link is to the product which is promoted by this system. You will have ample opportunity to earn affiliate commission from that product. Each email that you receive from the system provides you the chance to make money through affiliate commission. The great aspect of this program is that you will be getting the business opportunity without spending time or money for the business. Patric is creating the business for you. Those who subscribe to this program need not create content or carry out online marketing or develop new methods to promote the products. All these tasks are being managed by Patric whose experience in this field is of more than a decade and who enjoys the confidence of thousands of loyal customers from different parts of the world.

## **But, what are the products?**

You will be curious to know about the products that are promoted by this program. The products promoted by this program come from Clickbank.com. Clickbank provides one of the most amazing platform for affiliate marketing and Clickbank is committed to promote only legitimate products under their affiliate program. Hence the subscribers of The CB Passive Income License Program are assured that only quality products of reliable as well as reputed manufacturers are promoted through this affiliate program. The commission for almost all Clickbank products is about 50%.

## **What makes The CB Passive Income License Program unique?**

Those who subscribe to the CB Passive Income License Program have a lot of advantages which they cannot find in any other affiliate marketing program. The subscribers need not spend money to create a business website of their own. They need not struggle to attract traffic to the website and also to convert the visitors into actual customers. Those who are new to online business may find it too difficult to grab the attention of the consumers and also to convince them and to make them to buy the products. All these tasks are performed by Patric.
