## Magic Luxembourg!

Thank you! Շնորհակալություն

Dear all,

I guess nothing is more healing than living the Spirit of Christmas in its collective energy. Nothing is more rewarding than finishing a year feeling that we did all we could for the others and that we succeeded. All joined together! Tears literally run down my face when I look back at all the wonders and miracles our family and movement could realize for our beloved Armenia. The key to our magic? Hard work – An altruistic Heart – Patriotism – Faith and Respect!

From our Ladies First Project targeted directly in Armenia to our networking engagement with an Armenian group Baregorc.am to our concert in Luxembourg, our team has surpassed the boundaries of the possible to lay foot on our Holy Ground where *Charity comes first because Armenia is worth it!*

And so, we are so proud and happy to present to you our fabulous charity projects, hoping that you too will soon join us ...

**Last rehearsal in December 12<sup>th</sup> 2018**

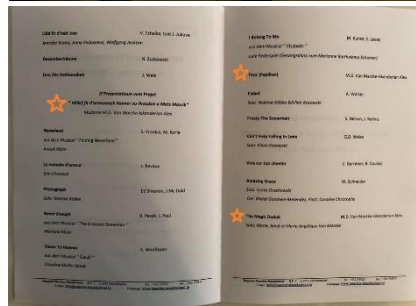

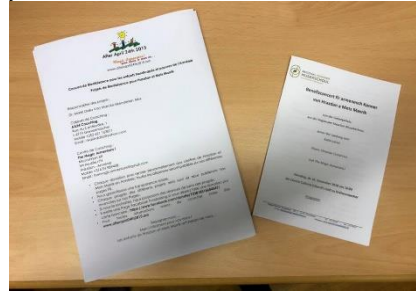

From Luxembourg to Armenia with love! Our final rehearsal before our concert for Armenia on Sunday! Getting ready to sing The Magic Duduk and Titer... Wonderful music school! Thank you from the heart for sharing your talent with us! We love you all so much!

**Benefizconcert Luxembourg**

And so on December 16<sup>th</sup> 2018, our Band The Magic Armenians had the honor and immense pleasure to join forces with the Music School in Grevenmacher to give a Charity Concert for Armenia in Luxembourg. The magical children and junior choir sang two of our songs Titer and The Magic Duduk and even more extraordinary... the choir sang in Armenian. Every single step of this Charity Concert, before, during and after was simply perfect. Apart from one sour point: Despite my numerous invitations to the Armenian community members and their friends living in Luxembourg, Belgium, France and Germany, not one single person came to encourage us. We received donations from the people of Luxembourg and there was even a Turkish family who donated a magical sum with a touching and sincere

hug. Again I would like to thank my daughter Marie-Angélique Van Marcke for reaching out to the music school. Thank you dearly to her wonderful music teacher Ekatarina Lucius Popova. Thank you to Magic Christian the talented pianist. Thank you to the Music School of Grevenmacher and its wonderful Director. Thank you to our young heroes, the talented and most enchanting choir of Ekatarina and last but not least, of course thank you to our amazing public. Thank you to all our donors. Thank you for making Armenia so happy. Indeed, yes, now we know that "we are not alone"!

**Flying Home for Christmas!**

On December 20<sup>th</sup> 2018 the Magic Armenian Family flew to Armenia from Luxembourg Airport. What a joy, what a blessing! Our bags filled with presents for our people.
