

# So many things to do.

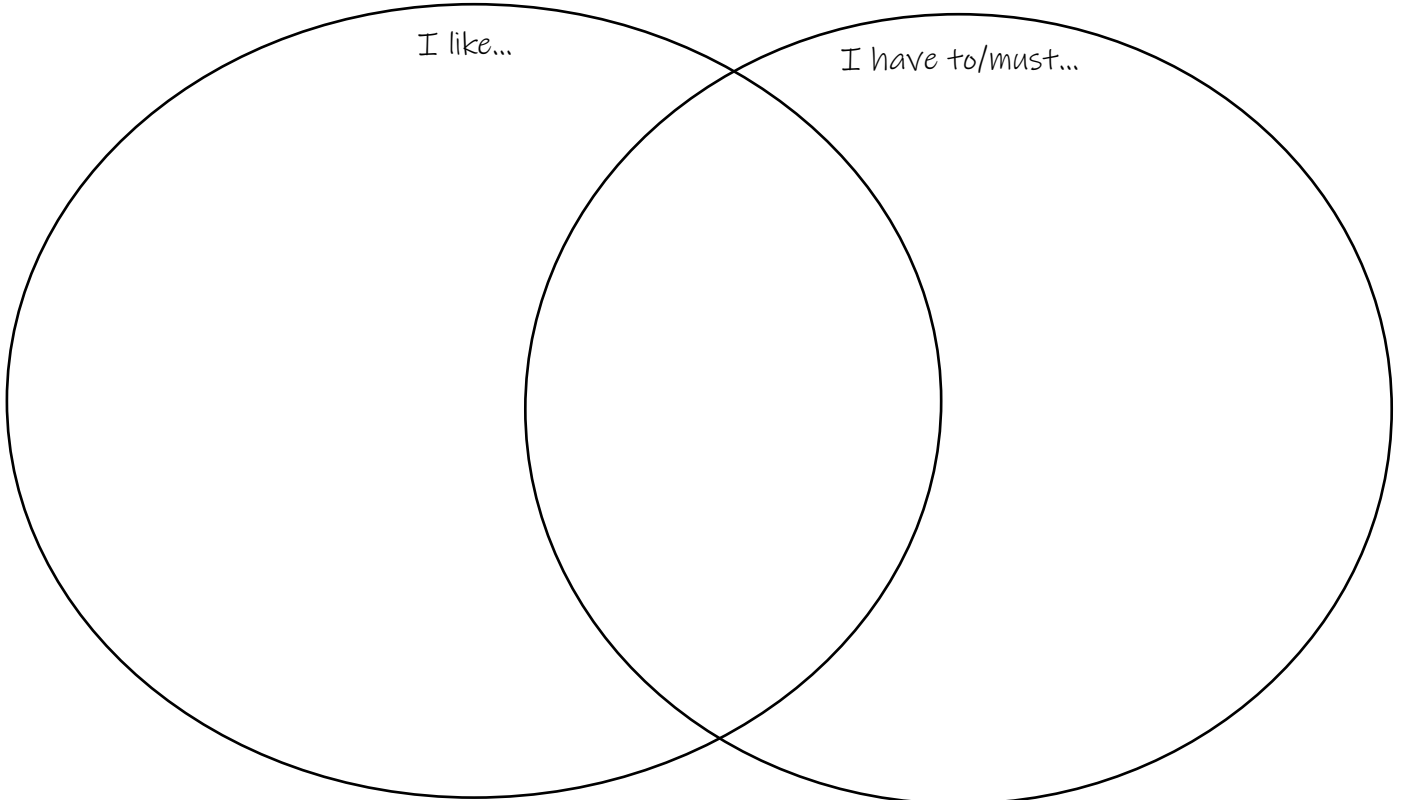

Poor Deborah caught a cold and **must** stay in bed. Look at the things that she did and complete the phrases.

1. Deborah was stuck at home and she was sad because she couldn't \_\_\_\_\_
2. She \_\_\_\_\_ so she could look nice.
3. She \_\_\_\_\_ so her new dress wouldn't get dirty.
4. She \_\_\_\_\_ in advance.
5. She \_\_\_\_\_ that they would see after the party.
6. All the preparation was in vain.

Deborah wanted to: go to her friend's party, bought a new dress, got a ticket for the movie, cleaned her bicycle, did her chores

What about you? What to do you like or have to/must do. Write the phrases in the diagram below.  
You can add to this list.

Clean/cleaning your room

Go/going to school

Live/living in a city

Buy/buying new clothes

Do/doing homework

Get/getting lost
