## #TheMagicArmenians MUSIC HALL - Cultural Hub Coming soon in Sevan!

Dear all,

Ever since 2015, June is blessed by the spirit of Hayastan. Here I spend my birthdays with Artur, who makes sure the passage of age happens in most touching and unforgettable ways!

From Luxembourg to Munich, then *en route* to Vienna to ... at last ... arrive in magical Yerevan, I cannot describe the intensity of my happiness when I breathe Armenia's air. It's like nothing evil could ever happen to me. The feeling of security and serenity is complete.

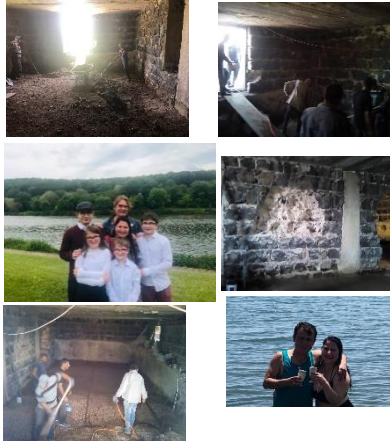

So many years working with my family and Artur to bring our people not only good music, financial support, respect and love but also and foremost, a place where everybody is welcome to enjoy the good side of life!

And thus, on June 2<sup>nd</sup>, we were thrilled to officially launch construction work on our Music Hall in the touristic city of Sevan. We will bring the best music and happiness to our beloved people and precious tourists coming to Armenia from all over the world.

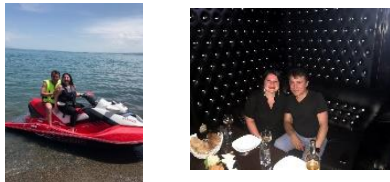

Our Music Hall will be *the* place not to miss when visiting Armenia. We will transform our Hall also into a Polyvalent Cultural Hub where all language will be spoken and all cultures will be represented. To give you an idea of our projects and services:

- @ The best music
- @ The best concerts
- @ Artists performances
- @ Movie theatre in different languages
- @ Exchange Platforms
- @ The latest coaching techniques
- @ The best international knowledge - brains
- @ Seminars and Workshops
- @ Language Coaching
- @ Cultural exchanges
- @ All about Armenia
- @ And most of all ... HAPPINESS

Our environment will be children & disabled friendly. We will have a smoke-free policy ☹️ And so on June 3<sup>rd</sup> we celebrated my 47<sup>th</sup>

birthday together with my beloved Artur and we did manage to keep the young spirit alive.

We sang happy birthday on an aqua bike and discovered a different lake Sevan! I had the time of my life! And so, after yet another unforgettable journey at the heart of Armenia, I flew back to Luxembourg to celebrate Mother's Day with my four children and Paul.

My precious family who has given me wings and an unconditional support. The mother of such amazing children can only be a work of God and I bow to His Will every single day...

Back to my coaching practice in Grevenmacher, I was so happy to guide my clients with all the positive energy I had received from Armenia. It is always very rewarding when hard work and commitment get their share of respect and gratitude.

And so, I would like to seize this opportunity and wish you for the 4<sup>th</sup> time since the creation of our Newsletter a happy and sunny summer 2019. Wherever holidays take you, on your warm balcony or a faraway land, always stay healthy and believe in miracles. Our family will head back to Armenia in July. We will keep you posted about our After April 24<sup>th</sup> 2015 movement's amazing missions in September 2019. With love and passion. Marie

The month of June was a month filled with music and recordings in our Music Studio in Hrazdan. Among our creative activities we were so happy to also participate in our clients' creative activities. Artur and I would like to grab this opportunity to thank everyone for making our studio vibrate with the most genuine souls Armenia has to offer. Musicians from all ages, from all directions and all nationalities who sing and play to make their listeners happy.
